

Facilities Services PARKING GUIDELINES

Contractors doing business with Vancouver Island University must check-in with the Facilities Services office to have their vehicle registered prior to working/parking on campus. Failure to register your vehicle, will result in a possible parking violation. Contractor parking authorization cannot be used for any other purpose.

Vehicles may park in **General** or **Short-term** parking stalls only.

Vehicles are NOT permitted to park in Employee parking stalls or in Tow Away Zones unless approved by Facilities Services.

Tow Away Zones are defined as:

- Fire lanes or blocking access to a fire hydrant.
- Spaces for people with accessibility concerns or spaces reserved or designated for specific purposes (i.e. Hairdressing spots, parking for Computer Support, etc.).
- Bus zones.
- Yellow curb, on a yellow zone or in a designated loading zone.
- Parking on a roadway or in a way that impedes traffic flow.
- Parking in any way that obstructs emergency vehicle access to roadways or buildings.
- Parking on landscaped areas or lawns.

Tow Away Zones are monitored **24 hours a day, 7 days a week**.
