**Important Reminders:**

At current the Government of Canada has travel restrictions on foreign nationals for non-essential discretionary travel. Coming to Canada for study is considered non-essential. Should these restrictions change and Canada begins to permit such travel we would love to welcome you to Nanaimo. ***The exception to non-essential travel is international students who were issued study permits PRIOR to March 18, 2020***

As part of the Quarantine Act, travelers to Canada are required to self-isolate for 14 days. This means that students will have to stay in their own room for 14 days and avoid contact with (keep a 2 metre distance from) others. **Students who are travelling from an international destination (including the United States) are reminded that quarantine (self-isolation) is a requirement of the Quarantine Act and not optional.**
